

Organizations in Massachusetts Managing Packaged Food Material for Depackaging

The following list includes two sets of companies:

1. Companies that are currently accepting packaged food materials for de-packaging.
2. Companies that are interested in accepting packaged food material for de-packaging, but are not accepting it at this time.

Check with each organization on which materials they are currently accepting. Organizations are listed alphabetically and inclusion in this list is not implied endorsement by RecyclingWorks in Massachusetts.

Updated April 2017.
