Getting Started with Food Donation Workshop, June 28, Harvard Law School

RecyclingWorks and the MassDEP are hosting a workshop to help businesses and institutions in the Boston area start food donation programs.

When: Tuesday, June 28, 10:00am-12:45pm

Where: Harvard Law School, Cambridge

RSVP: Sign up using the [registration form](#) for the Reduce and Recover Conference. **Select**

“MassDEP/RecyclingWorks Workshop” for \$25 to register just for this workshop.

- Learn the basics of how to donate food safely
- Realize the benefits of food donation for your business
- Meet with food donation organizations to get started

This workshop is part of the [Reduce and Recover: Save Food for People](#) Conference hosted by the [Harvard Food Law and Policy Clinic](#), in collaboration with the EPA, MassDEP, and RecyclingWorks in Massachusetts.

RecyclingWorks Spotlight: Increasing C&D Waste Diversion

RecyclingWorks is currently developing Construction & Demolition Waste Best Management Practices that will be shared on the RecyclingWorks website. RecyclingWorks will host three multi-stakeholder meetings across the state for contractors, architects, C&D haulers and processors, and others involved in the C&D waste stream.

Join us on June 23 for the first of these stakeholder meetings, which will be on the agenda for the **MassDEP C&D Subcommittee Meeting**:

When: Thursday, June 23, 10:00am-12:00pm

Where: MassDEP Boston

For more details, visit the [event page](#) or call the RecyclingWorks hotline at (888) 254-5525.
