

# Always Empty Recyclables out of Plastic Bags

Bags tangle recycling equipment causing delays, injuries and extra costs.

Pair trash and recycling bins whenever possible. Use color-coded plastic bags as liners to keep bins clean and make it easier to move materials.

Leave recycling bags untied or loosely tied so they are easy to empty.

Color-coded plastic bags make it easier to visually differentiate so that trash doesn't get confused with recycling in one cart.

Always empty recyclables out of the plastic bag into the dumpster.

Reuse or dispose of the plastic bag in the trash.
