

# Toujou Vide Resiklab ki nan Sak an Plastik yo

Sak yo makonnen nan aparèy resiklaj yo, sa ki lakòz reta, aksidan, ak plis depans.

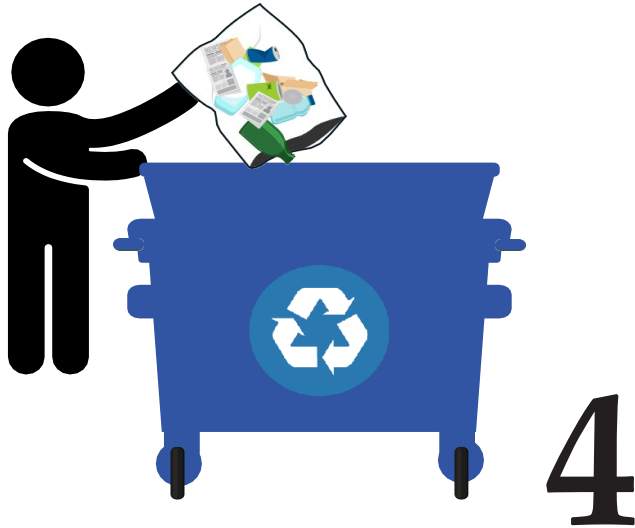

Mete poubèl fatra ak resiklaj yo sou kote youn ak lòt, lè sa posib. Sèvi avèk sak plastik an koulè pou tapise anndan poubèl yo, ak fè li pi fasil pou retire sa ki ladan yo.

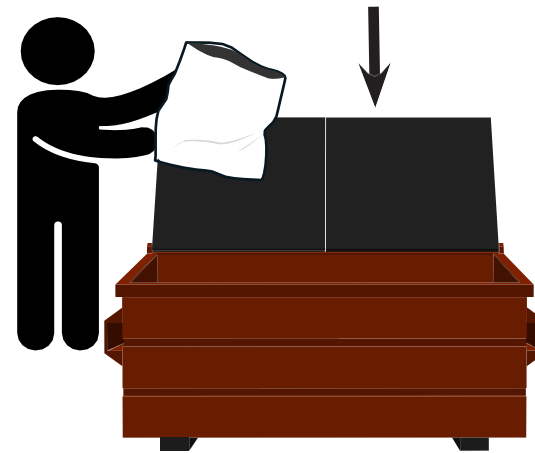

Kite sache resiklab yo san mare, oubyen mare yo san sere, pou li kapab fasil pou vide sa ki ladan yo.

Sache an plastik ki kode dapre koulè yo fè li pi fasil pou wè diferans lan, pou dechè pa konfonn avèk resiklab nan yon sèl charyo.

Toujou vide resiklab ki nan sak ab plastik yo nan bèn la.

Ou mèt fè sache plastik la sèvi ankò, oswa jete li nan fatra.
